General Feedback

What encouraged you to purchase from **abm**?

Price and quality. ABMgoods had both.

Feedback Form

Ultra Low Temperature Lab Freezer-510 L (Cat.No. Q5126)

What features do you like most about **abm**'s freezer?

Sleek design, high reliability of temperature, and quick recovery of temperature when opened. Also very good pricing.

Would you recommend **abm**'s freezer to your colleagues?

Yes.

Please share any final comments.

Abm freezer has been running non stop for the last 4-5 years without any trouble. We use it quite extensively, and it does get opened a lot. But the temperature goes back very quickly. Overall I have noticed better viability of cells in this freezer.
